VERSE 1

G
I look around and all I see
Are burning buildings, barren trees

Hopelessness is starting to wreak havoc

Son of man I know You see
The deepest depths unknown to me
Am
You have planted seeds among the ashes

CHORUS

G
You rebuild, You restore
Am G/B C
All that's broken
Em D C
From the ruins

G
You redeem, You return
Am G/B C
All that's stolen
Em D C
From your children
Am G
That's what You do

VAMP: G (1 meas.)

So be still my anxious heart
All that's gone is never lost

I'll sing it from these rubble rocks

'Cause I know You are good and You are able
