Take this home, put it up on your refrigerator, and take on the PB&J challenge! For each week in the series, read the Bible passages that relate to that week's BIG IDEA, write about what you learned in a Kids' City Journal, and Pray that God would help you grow as a Christ-follower. Complete the challenge, have an adult sign this page, and bring it back to Kids' City on the date listed and we will celebrate YOU in Kids' City (there may also be a small prize!).
