

Indescribable: Your Creator has No Limits

First, watch this week's video at the KC website-
www.communitychristian.org/kids

Creativity:
Imagining what you could do because you were made in God's image.

Memory Verse

"Lord, you are great. You are really worthy of praise. No one can completely understand how great you are."
Psalm 145:3, NIV

Bible Story

Creation
(Genesis 1-2:3)

Bottom Line

There's no limit to God's creativity.

Use this guide to help your family learn how God made us to be creative.

Activity

Animal Acting

What You Do

Tell your child, "Let's play a game." Say, "I'll tell you an action, and you can act it out. After that, tell me an animal that does that word you just acted out. For example, if I say, 'Bounce,' you would bounce up and down. (Bounce up and down.) Then, you'd tell me an animal that bounces—like a rabbit or kangaroo! Sound good? Let's do it!"

Use the following words to play your game. We've suggested some animals for each word, but your super-creative kid may think of others, too!

- slither (snake)
- gallop (horse)
- fetch (throw something and allow them to bring it back) (dog)
- roar (lion)
- climb (monkey)
- swim (fish)
- bathe yourself (cat)

To make the game more fun, have your child come up with some animals on their own. Then, you pretend to be that animal.

Talk about the Bible Story

In the video today, we learned that God made the Earth and everything in it. Isn't that cool? He's so creative! Which of the animals that we just acted out is the most creative?

Besides animals, what else did God create? (*Moon, sun, stars, mountains, trees, people*)

True or false: God's most creative creation is animals. (False! God's most creative creation is US—PEOPLE! He made each of us differently, with unique talents and skills. He did that on purpose, because people are God's favorite creation.)

God says that we were made in His image. What do you think that means? (*We were created to think, feel, and act at least a little bit like God*)

When you think about it, God dreamed up and created some incredible things—every flower, every sunset, every bird you see flying in the sky. God is AMAZING! There is no limit to His creativity.

Prayer

Use this prayer as a guide, either after talking about the Bible story or sometime before bed tonight:

"God, thank You for creating the world and everything in it. You put each star exactly where it is—that's pretty cool to think about! You are so creative, and we know that You made us to think like You. That means we're creative, too! Help us to think about You when we're enjoying the things You created. Remind us to be thankful to the One who created it—You! We love You. Amen."
